Biography Book Project

Find a biography about a person that you are interested in learning more about. For this project you will be completing a 3D model of your famous person and will be sharing details about their life and their significance (why are they famous? why would someone write a biography about them?) The book you find from the library will be a great start, but may not be the only source you need to explore to find all of the details you need.

You will need to find information/facts on the following areas:

- Physical Appearance
- Personal History - where they were born, what they did for a living, etc.
- Character Traits (remember we often have to **infer** character traits)
- Accomplishments
- Why is/was this person significant?
- Challenges they overcame
- Time period in which the person lives/lived
- Questions you still have about this person

My biography book project is going to be on:

Use the following pages as your rough draft. When you have completed the rough draft see Mrs. Davis for a copy of the project outlines. **You will need to turn this packet in with your completed project.**

Physical Appearance

Name/Number: _____

Due Date: _____

Personal History - where they were born, what they did for a living, etc.

Character Traits (remember we often have to **infer** character traits)

Accomplishments

Name/Number: _____

Due Date: _____

Why is/was this person significant?

Challenges they overcame

Time period in which the person lives/lived

Name/Number: _____

Due Date: _____

Questions you still have about this person

List any additional sources you used to complete your project

Name/Number: _____

Due Date: _____

Rubric

	Points Possible	Points Earned
Rough drafts completed and turned in with final project	10	
Physical Appearance	10	
Personal History	10	
Character Traits	10	
Accomplishments	10	
Significance	10	
Challenges	10
